We Believe

In this time of desperation
When all we know is doubt and fear
There is only one foundation
We believe we believe
In this broken generation
When all is dark You help us see
There is only one salvation
We believe we believe

We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life
We believe in the crucifixion
We believe that He conquered death
We believe in the resurrection
And He's coming back again
(We believe)

So let our faith be more than anthems
Greater than the songs we sing
In our weakness and temptations
We believe we believe

Let the lost be found and the dead be raised
In the here and now let love invade
Let the church live loud our God will save
We believe we believe
And the gates of hell will not prevail
For the pow'r of God has torn the veil
Now we know Your love will never fail
We believe we believe

He's coming back again
He's coming back again
We believe we believe

Opening Prayer

Come To The Table

We all start on the outside
The outside looking in
This is where grace begins
We were hungry we were thirsty
With nothing left to give
Oh the shape that we were in

Just when all hope seemed lost
Love opened the door for us

(He said) come to the table
Come join the sinners who have been redeemed
Take your place beside the Savior
Sit down and be set free
(Come to the table)

Come meet this motley crew of misfits
These liars and these thieves
There's no one unwelcome here
So that sin and shame that you've brought with
you
You can leave it at the door
And let mercy draw you near

To the thief and to the doubter
To the hero and the coward
To the pris'ner and the soldier
To the young and to the older
All who hunger all who thirst
All the last and all the first
All the paupers and the princes
All who've failed you've been forgiven
All who dream and all who suffer
All who've loved and lost another
All the chained and all the free
All who follow all who lead
Anyone who's been let down
All the lost you have been found
All who've been labeled right or wrong
To ev'ryone who hears this song

Woah sit down and be set free
Come to the table
Come to the table
Just sit down and rest awhile
Just sit down and rest awhile
Come to the table

Preaching I

This Is Our God

Remember those walls that we called sin and shame
They were like prisons that we couldn't escape
But He came and He died and He rose
Those walls are rubble now
Remember those giants we called death and grave
They were like mountains that stood in our way
But He came and He died and He rose
Those giants are dead now

This is our God this is who He is
He loves us
This is our God this is what He does
He saves us
He bore the cross beat the grave
Let heaven and earth proclaim
This is our God King Jesus

Remember that fear that took our breath away
Faith so weak that we could barely pray
But He heard every word every whisper
Now those altars in the wilderness
Tell the story of His faithfulness
Never once did He fail and He never will

Who pulled me out of that pit
He did He did
Who paid for all of our sin
Nobody but Jesus

Who rescued me from that grave
Yahweh Yahweh
Who gets the glory and praise
Nobody but Jesus (Him)

He bore the cross beat the grave
Let heaven and earth proclaim
This is our God King Jesus

Preaching II

Prayers for the Community

Communion

PSALM 23

Lord, you are my Shepherd
and I shall not want any more.
You make me lie down in peace,
in fields of green I will sleep.
Lead me beside the still waters,
gently restoring my soul.

***Even though I walk through the
valley
of the shadow of death
I will fear no evil, You are with
me.***

You prepare me a table
In the presence of my foes.
There with oil you anoint me
and my cup now over flows.
Surely Your love and Your
goodness
will follow me all of my life.

How Great Is Our God

The splendor of the King
Clothed in majesty

Let all the earth rejoice
All the earth rejoice
He wraps Himself in light
And darkness tries to hide
And trembles at His voice
And trembles at His voice

How great is our God
Sing with me
How great is our God
And all will see how great
How great is our God

And age to age He stands
And time is in His hands
Beginning and the End
Beginning and the End
The Godhead three in one
Father Spirit Son

The Lion and the Lamb
The Lion and the Lamb
Name above all names
Worthy of all praise
My heart will sing
How great is our God

CCLI Song # 4348399

I could sing these songs
As I often do
But every song must end
And You never do

So I throw up my hands
And praise You again and again
'Cause all that I have is a hallelujah
hallelujah
And I know it's not much
But I've nothing else fit for a king
Except for a heart singing hallelujah
Hallelujah

I've got one response
I've got just one move
With my arms stretched wide
I will worship You

Come on my soul
Oh don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those
lungs
Get up and praise the Lord

Gratitude

All my words fall short
I got nothing new
How could I express
All my gratitude
