Come To The Table

We all start on the outside
The outside looking in
This is where grace begins
We were hungry we were thirsty
With nothing left to give
Oh the shape that we were in

Just when all hope seemed lost
Love opened the door for us
(He said) come to the table
Come join the sinners who have been
redeemed
Take your place beside the Savior
Sit down and be set free
(Come to the table)

Come meet this motley crew of misfits
These liars and these thieves
There's no one unwelcome here
So that sin and shame that you've
brought with you
You can leave it at the door
And let mercy draw you near

To the thief and to the doubter
To the hero and the coward
To the pris'ner and the soldier
To the young and to the older
All who hunger all who thirst
All the last and all the first
All the paupers and the princes
All who've failed you've been forgiven
All who dream and all who suffer
All who've loved and lost another
All the chained and all the free
All who follow all who lead
Anyone who's been let down
All the lost you have been found

All who've been labeled right or wrong
To ev'ryone who hears this song

Woah sit down and be set free
Come to the table
Come to the table
Just sit down and rest awhile
Just sit down and rest awhile
Come to the table

Opening Prayer

What Faith Can Do

Ev'rybody falls sometimes
Gotta find the strength to rise
From the ashes and make a new beginning

Anyone can feel the ache
You think it's more than you can take
But you're stronger stronger than you know
Don't you give up now
The sun will soon be shining
You gotta face the clouds to find the silver lining

I've seen dreams that move the mountains
Hope that doesn't ever end
Even when the sky is falling
I've seen miracles just happen
Silent prayers get answered
Broken hearts become brand new
That's what faith can do

It doesn't matter what you've heard
Impossible is not a word
It's just a reason for someone not to try
Ev'rybody's scared to death
When they decide to take that step out on the water
But it'll be all right
Life is so much more than what
Your eyes are seeing
You will find your way if you keep believing

Overcome the odds
When you don't have a chance
(That's what faith can do)
When the world says you can't
It'll tell you that you can

Even if you fall sometimes
You will have the strength to rise

Reading: Mark 10:42-45
Preaching I

First Things First

All the things that I have held dear
The vanities that whispered in my ear
What would I do if they all disappeared

Riches and fame and all that they could buy
I've come to find they never satisfy
What would I gain if my soul's the price

I don't want to love what the world loves
I don't want to chase what the world does
I only want You I only want You

First things first I seek Your will
Not my own surrender all my wants to You
Keep the first thing first to live Your truth
Walk Your ways set my eyes Lord I fix my face on You
All my desires reversed
To keep the first thing first

I give it all my life an offering
My heart is Yours so have Your way in me
Your kingdom's all I want to seek

I don't want to love what the world loves
No I don't want to chase what the world does
I only want You I only want You

To keep the first thing first
All my desires reversed
To keep the first thing first
To keep the first thing first

To keep the first thing first
To keep the first thing first
All my desires reversed
To keep the first thing first

Prayers for the Community

Communion

Jesus to the World

A little girl who is hungry
Prays for something she can eat
A single mom doing all she can
Finds herself out on the street
Will we see their need and hear their
cries
Look at our watch and just walk on by
Or will we stop and take the time
To be Jesus in their lives

We need to be lambs that roar
We need to be eagles that soar
We need to be salt
We need to be light
We need to be Jesus to the world
We need to take love into the streets
Be willing to turn the other cheek
We need to be strong
We need to be weak
We need to be Jesus
Jesus to the world

Jesus came with a message
That would change the way we live
He showed us all by example
What the heart of heaven is
He saw our need and He heard our cry
He loved us so much that He gave His
life
He taught us by his sacrifice
How we should live our lives
repeat chorus
We need to be Jesus
Jesus to the world

Go Light Your World

There is a candle in ev'ry soul
Some brightly burning some dark and cold
There is a Spirit who brings a fire
Ignites a candle and makes His home

So carry your candle run to the darkness
Seek out the hopeless confused and torn
Hold out your candle for all to see it
Take your candle and go light your world
Take your candle and go light your world

Frustrated brother see how he's tried to
Light his own candle some other way
See now your sister she's been robbed and
lied to
Still holds a candle without a flame

So carry your candle run to the darkness
Seek out the lonely the tired and worn
Hold out your candle for all to see it
Take your candle and go light your world
Take your candle and go light your world

We are a fam'ly whose hearts are blazing
So let's raise our candles and light up the
sky
Praying to our Father in the name of Jesus
Make us a beacon in darkest times

So carry your candle run to the darkness
Seek out the helpless deceived and poor
Hold out your candle for all to see it
Take your candle and go light your world
Carry your candle run to the darkness
Seek out the hopeless confused and torn
Hold out your candle for all to see it
Take your candle and go light your world
Take your candle and go light your world

House Of The Lord

We worship the God who was
We worship the God who is
We worship the God who evermore will
be
He opened the prison doors

He parted the raging sea
My God He holds the victory yeah

CCLI Song # 7168995
Jonathan Smith | Phil Wickham

There's joy in the house of the Lord
There's joy in the house of the Lord
today
And we won't be quiet
We shout out Your praise
There's joy in the house of the Lord
Our God is surely in this place
And we won't be quiet
We shout out Your praise

Oh oh oh
We shout out Your praise

We sing to the God who heals
We sing to the God who saves
We sing to the God who always makes
a way
'Cause He hung up on that cross
Then He rose up from that grave
My God's still rolling stones away

('Cause) We were the beggars
Now we're royalty
We were the prisoners
Now we're running free
We are forgiven accepted
Redeemed by His grace
Let the house of the Lord sing praise

There is joy in this house oh yeah
There is joy there is joy
And we won't be quiet
We're gonna shout out Your praise

We shout out Your praise
There is joy in this house
There is joy in this house today
We shout out Your praise
We shout out Your praise
